

Biography

Ric Church

M.B.A., C.H.E., C.P.

Business advisor, educator and consultant in the private sector and law enforcement fields

Ric Church, M.B.A., C.H.E., C.P. is a business advisor, educator and consultant in the private sector and law enforcement fields. Mr. Church began his professional career in the petroleum industry where he worked for eight years before becoming the Vice President of Business Development for Dr. Kenneth Cooper's internationally-renown Aerobics Corporation of America in Dallas, Texas. After leaving The Aerobics Corporation he served as interim-executive for organizations such as Summa Laboratories (Exec.V.P.), Nix-O-Tine Pharmaceuticals (Sr. V.P.), Karch International (Director, Sales), C. I. Solutions, Inc. (Director, Business Development) and IDE Industries (Exec. V.P.). For five years, he served as the Executive Director of The Preventive HealthCare Medical Center in Irvine, California, an executive healthcare facility. Other recent projects include: Executive Advisor for Intecare, Inc., Director of Law Enforcement Services for The Hardiness Institute, and Business/Operations Advisor to The Integrated Medical Center. Because Mr. Church has a background in preventive medicine his work is often with organizations in these fields; however, he has extensive experience outside these fields. Mr. Church has been involved in law enforcement assessment, selection, education and advising for over twenty-five years. He was a police academy instructor, for several academies in the Dallas-Fort Worth area while he lived in Texas. He continues to work in and with the law enforcement, public safety and military communities as an instructor, advisor and intelligence analyst.

Mr. Church holds a BA from The University of Texas at Arlington, a Texas State Teaching Certificate, an MBA from Otis Engineering Institute (developed by Texas Christian University) and numerous professional credentials. He has been active in many professional organizations, holding local, state and national officer positions. He is a prolific professional speaker, lecturer and a presenter at conferences. He has written books, manuals, texts and papers. He lives in Seal Beach, CA (outside Los Angeles) with his wife Pamela Thomas.
